### Twenty-seventh session

Kingston, 13–15 July 2022

Item 9 of the provisional agenda\*

### Status of contributions and related matters, including indicative scale of assessed contributions of members of the International Seabed Authority to the administrative budget for the financial period 2023–2024

## Status of contributions

### Report of the Secretary-General

1. The present report covers the status of contributions to the budget of the International Seabed Authority as at 30 April 2022.
2. In accordance with the United Nations Convention on the Law of the Sea and the Agreement relating to the Implementation of Part XI of the United Nations Convention on the Law of the Sea of 10 December 1982, the administrative expenses of the Authority are to be met by assessed contributions of its members until the Authority has sufficient funds from other sources to meet those expenses. The scale of assessments shall be based on the scale used for the regular budget of the United Nations, adjusted for differences in membership. As at 30 April 2022, 59 per cent (\$4,360,498) of the contributions to the budget of the Authority for 2022 had been received, with 59 member States paying their contributions in full and 14 in part. Tables 1 and 2 provide further information.
