Recording policy

The ISA secretariat will record the workshop through the online meeting platform (i.e. MS Teams). By participating in the workshop, participants are deemed giving their consent for the recording. The full recording will *not* be made public or otherwise circulated and will be used by ISA only to support the preparation of the workshop report. However, clips of the discussion will be extracted and assembled for a short video report, which may be published to showcase key highlights of the workshop activities. In case any participants do not want to appear in these video clips, they are expected to inform the secretariat before the start of the workshop.

Recording of the workshop proceeding by participants is strictly prohibited. No participant may electronically record or broadcast any portion of the workshop. Those who do not comply with the present recording policy may be asked to leave the workshop without prior notice.

Social media

The ISA secretariat will post key highlights of the workshop discussions and outcomes on Twitter and Facebook, using the following hashtags:

- #ISBAHQ
- #ISBAMSR

If you wish to share postings related to the workshop on social media, please make sure you include the hashtags above. While you are not permitted to take screenshots of the presentation contents without prior consent of the presenter, you may take screenshots during the discussions for posting on social media.

Access to the online meeting platform

The workshop will be held online via the Microsoft Teams platform and is only open to those who have been officially invited by the ISA secretariat.

Participants will receive a link to join the meeting, via email, which will be used throughout the workshop.

Reception and testing of online meeting platform

A testing of online meeting platform and introducing individual participants will be organized from 8:00 - 9:30 a.m. (Jamaica; GMT-5) on Monday, 14 December. Participants are highly encouraged to join this meeting, using the provided meeting link, to familiarize themselves with the platform and minimize risks of technical issues arising during the workshop.

More detailed guidance on how different functions of this online platform will be used during the workshop will be made available to all participants in due course. In the meantime, please see the next page for guidance on how to join a meeting in Microsoft Teams.
