

Comments submitted by Mongolia

On behalf of Mongolia Maritime Administration (MMA), I would like to extend my warmest greetings to You! It is my great pleasure to contact You! As we carefully reviewed the draft Capacity Development Strategy of ISA and we consider that the draft is really helpful for increasing the capacity development of developing states specially landlocked states like Mongolia. Accordingly, we would like to inform You that MMA has no particular comments on the draft document. We apologize for the late response due to some internal structural changes. If You have any other notice or requests, please, kindly let us know anytime. All the best!
