

Relinquishment of a seat in the Council of the International Seabed Authority

(1996-2022)

1. In accordance with section 3, paragraph 15, of the Annex to the 1994 Agreement, the Council shall consist of 36 members elected by the Assembly.

2. However, in attempting a formula for equitable geographic distribution among the membership of the Council, the Assembly agreed on the following formula:¹

Groups	Seats
Group of African States	10
Group of Asia-Pacific States	9
Group of Eastern European States	3
Group of Latin American and Caribbean States	7
Group of Western European and Other States	8

3. Since the total number of seats allocated according to that formula is 37, it is understood that, in accordance with an understanding reached in 1996,² each regional group other than the Eastern European Group will relinquish a seat in rotation. The regional group which relinquishes a seat will have the right to designate a member of that group to participate in the deliberation of the Council without the right to vote, during the period the regional group relinquishes the seat.

4. The information of the relinquishment of a seat in the Council is as follows:
