## ENHANCING THE ROLE AND PARTICIPATION OF WOMEN IN DEEP-SEA SCIENTIFIC RESEARCH

#OceanAction15467

### Questions and Responses

**Question:** What are the ISA's requirements for new strategic partnerships with women-lead private companies seeking contracts?

**Response:** The ISA is always interested in working with new and emerging women scientists on various initiatives in support of gender equality. As it relates to new strategic partnerships, the requirements will vary based on the project. For more information on current opportunities, please visit the [Career Opportunities webpage](#).
