The Permanent Mission of the Federated States of Micronesia to the United Nations presents its compliments to the International Seabed Authority and has the honor to transmit herewith an electronic copy of Public Law No. 20-102 of the Federated States of Micronesia, otherwise known as the Seabed Resources Act of 2014. The national legislation is transmitted in response to requests contained in decisions of the Council of the International Seabed Authority as well as the Assembly of the International Seabed Authority (ISBA/18/C/21 and ISBA/23/A/13, respectively).

The Permanent Mission of the Federated States of Micronesia to the United Nations avails itself of this opportunity to extend to the International Seabed Authority the assurances of its highest consideration.
