Status of the Endowment Fund for Marine Scientific Research in the Area and of the voluntary trust fund to support the participation of members of the Council of the International Seabed Authority from developing States in the meetings of the Council, and related matters

Report of the Secretary-General

I. Endowment Fund for Marine Scientific Research in the Area

1. Article 143, paragraph 2, of the United Nations Convention on the Law of the Sea provides that the International Seabed Authority shall promote and encourage the conduct of marine scientific research in the Area. Paragraph 3 of the same article provides that States Parties shall promote international cooperation in marine scientific research in the Area by, inter alia, ensuring that programmes are developed through the Authority or other international organizations as appropriate for the benefit of developing States and technologically less developed States.

2. In its resolution [ISBA/12/A/11](#), the Assembly of the International Seabed Authority decided to create a special account, to be known as the Endowment Fund for Marine Scientific Research in the Area, with the purposes of promoting and encouraging the conduct of marine scientific research in the Area for the benefit of mankind as a whole, in particular by supporting the participation of qualified scientists and technical personnel from developing countries in marine scientific research programmes and by providing them with opportunities to participate in international technical and scientific cooperation, including through training, technical assistance and scientific cooperation programmes.

3. The initial capital of the Fund consisted of the balance remaining as at 18 August 2006 from the application fees paid by the registered pioneer investors, under resolution II of the Third United Nations Conference on the Law of the Sea, to the Preparatory Commission for the International Seabed Authority and for the International Tribunal for the Law of the Sea, pursuant to paragraph 7 (a) of resolution II, together with interest accrued thereon. The Assembly invited members

of the Authority, other States, relevant international organizations, academic, scientific and technical institutions, philanthropic organizations and private persons to make contributions to the Fund. The Assembly also decided that only accumulated interest earned on the capital should be used to finance marine scientific research.

4. As at 9 May 2018, the capital of the Endowment Fund stood at \$3,478,315. The most recent contributions during the financial period 2017–2018 were from the Institut français de recherche pour l'exploitation de la mer (Ifremer) (\$5,000) and Mexico (\$15,000). During the same period, financial assistance was provided to the Second Institute of Oceanography (\$10,000), the Rhodes Academy of Oceans Law and Policy (\$4,000) and Shanghai Jiao Tong University (\$8,000). The status of the Endowment Fund as at 9 May 2018 is summarized in table 1.
