Nominations open
until 15 May 2023

ISA SECRETARY-GENERAL'S AWARD FOR EXCELLENCE IN DEEP-SEA RESEARCH

About the Award

The International Seabed Authority (ISA) is mandated to promote and encourage the conduct of marine scientific research in the international seabed area – or the “Area” - and to coordinate and disseminate the results of such research. In line with this mandate, the **Secretary-General's Award for Excellence in Deep-Sea Research** recognizes and encourages the achievements of young researchers from developing countries who have made outstanding contributions to the advancement of scientific knowledge of the deep-sea environment or to the development of environmentally sustainable regulatory frameworks.

The prize

- USD4,000 cash prize
- Cost of attendance to the 28th annual Session of ISA's Assembly (July 2023)
- Cost of participation to one ISA's workshops on matters of expertise
- Cost of publication fees of an article written by Awardee in a scientific journal (open access journal)

The Awardee will also be offered the opportunity to participate in a joint environmental and exploration campaign to the Clarion-Clipperton Zone in Sep-Nov 2023 thanks to the support provided by Nauru Offshore Resources Inc. and Tonga Offshore Minerals Ltd.

With the support of

Gouvernement Princier
PRINCIPAUTÉ DE MONACO

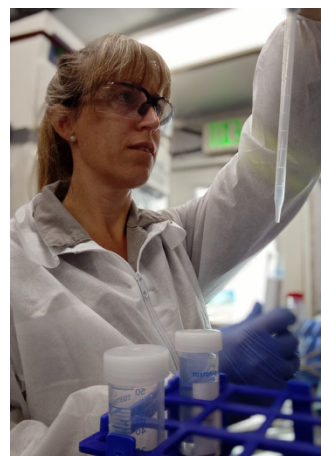

Eligibility and nomination procedure

Eligibility criteria can be consulted at:

<https://bit.ly/SGaward2023>

Nominations should include:

- A letter (<750 words) from the nominator summarizing the research and outlining its national or international significance.
- The curriculum vitae of the nominee.
- Any publication derived from the research undertaken.
- Two letters from sponsors outlining the type and impacts of the research carried out by the nominee and attesting to its significance and quality.
