5. Please indicate the rationale for the proposal. [150-word limit]

REMPs are environmental policy tools, not legal instruments, and their provisions are not binding obligations, same as the “Authority’s environmental policy”. The REMP’s nature should be reflected in the language used to refer to them, especially in order to distinguish them from other instruments that are actually legally binding and for which a prescriptive language such as “in accordance with” can be used (ex.: Standards, Regulations).
