

REPUBLIC OF NAURU

Note No. 418/2025

The Department of Foreign Affairs and Trade of the Republic of Nauru presents its compliments to the Secretariat of the International Seabed Authority and has the honour to refer to the Authority's Note Verbal No. ISA/OLA/2025/132 concerning the preparation of a report on status of national legalization relating to deep seabed mining and related matters for consideration by Council of the International Seabed Authority during its thirtieth session.

The Department wishes to inform the Secretariat that the Republic of Nauru has updated its national legislation. The International Seabed Minerals Act 2015 has been repealed and replaced by the Nauru Seabed Minerals Authority Act 2024 and its Regulations. In this regard, Nauru has the honour to submit the following updated national laws and regulations to replace the previous legislation in the Authority's records:

1. Nauru Seabed Minerals Authority Act 2024
2. Nauru Seabed Minerals Authority Regulations 2025

The Department of Foreign Affairs and Trade of the Republic of Nauru avails itself of this opportunity to renew to the Secretariat of International Seabed Authority the assurances of its highest consideration.
