Thirty-first session

Council session, part I

Kingston, 9–20 March 2026

Item 10 of the provisional agenda*

Consideration, with a view to approval, of applications for extension of a contract for exploration, if any

Draft decision of the Council of the International Seabed Authority relating to an application for extension of the contract for exploration for polymetallic nodules between the Institut français de recherche pour l'exploitation de la mer and the Authority

The Council of the International Seabed Authority,

Acting upon the recommendation of the Legal and Technical Commission,¹

Recalling that, on 20 June 2001, the Institut français de recherche pour l'exploitation de la mer entered into a 15-year contract for exploration for polymetallic nodules with the International Seabed Authority,

Recalling also that the contract was extended for a period of five years to 19 June 2021² and for a further five years to 19 June 2026,³

Noting that, on 16 December 2025, the Secretary-General of the Authority received an application for an additional five-year extension of the contract,

Recalling section 1, paragraph 9, of the annex to the Agreement relating to the Implementation of Part XI of the United Nations Convention on the Law of the Sea of 10 December 1982,⁴

Recalling also the decision of the Council of the Authority relating to the procedures and criteria for the extension of an approved plan of work for exploration pursuant to section 1, paragraph 9, of the annex to the Agreement,⁵
