

## **IWG on Environmental Management and Monitoring**

Tuesday, 10 March 2026

As facilitator of the intersessional working group on environmental management and monitoring, Norway would like to thank all participants of the working group and those who commented on the revised text last session. There has been significant progress on the topic, and Norway hopes to move further forward this Council Session. The environmental management and monitoring regulations are planned to be discussed on Tuesday 10<sup>th</sup> March, and in order to progress the work, Norway would like to kindly invite delegates to especially prepare to discuss:

- Any key missing items in the EMM-regulations,
- Preference of 2 and 2 alt in draft regulation 50,
- Treatment of amendments/improvements to the EMMP in 52 (2), and
- Pollution control and mining discharge.
