Thirty-first session

Council session, part II

Kingston, 13–24 July 2026

Agenda item 10

Consideration, with a view to approval, of applications for extension of a contract for exploration, if any

Application for extension of the contract for exploration for polymetallic sulphides between the China Ocean Mineral Resources Research and Development Association and the International Seabed Authority

Report and recommendation of the Legal and Technical Commission

The Legal and Technical Commission,

Recalling that, on 18 November 2011, the China Ocean Mineral Resources Research and Development Association entered into a 15-year contract for exploration for polymetallic sulphides with the International Seabed Authority,

Noting that, on 15 May 2026, the Secretary-General of the Authority received an application for a five-year extension of the contract from the China Ocean Mineral Resources Research and Development Association, pursuant to section 1, paragraph 9, of the annex to the Agreement relating to the Implementation of Part XI of the United Nations Convention on the Law of the Sea of 10 December 1982,¹

Noting also that, on 29 May 2026, the Secretary-General notified the sponsoring State, members of the Authority and members of the Commission of the receipt of the application and placed consideration of the application on the agenda of the Commission for the thirty-first session of the Authority,

Recalling the provisions of section 1, paragraph 9, of the annex to the Agreement,

Recalling also the decision of the Council of the Authority relating to the procedures and criteria for the extension of an approved plan of work for exploration pursuant to section 1, paragraph 9, of the annex to the Agreement,²

¹ United Nations, *Treaty Series*, vol. 1836, No. 31364.

² [ISBA/21/C/19](#).

Recalling further that the Commission is required to consider applications expeditiously and in the order in which they are received,

Recalling that the Commission shall recommend approval of the application for extension of the contract for exploration if it considers that the contractor has made efforts in good faith to comply with the requirements of the contract for exploration but, for reasons beyond the contractor's control, has been unable to complete the necessary preparatory work for proceeding to the exploitation stage, or if the prevailing economic circumstances do not justify proceeding to the exploitation stage,

Having considered the application by the China Ocean Mineral Resources Research and Development Association during the meetings of the Commission held from 29 June to 10 July 2026, in accordance with the procedures and criteria,

Having requested the applicant to provide further data and information to supplement its application,

Considering that the grounds advanced by the applicant for requesting an extension of its contract and the information provided to establish that, for reasons beyond its control, it was unable to complete the preparatory work to proceed to the exploitation stage and that the prevailing economic circumstances do not justify proceeding to the exploitation stage,

Having concluded that the applicant has made efforts in good faith to comply with the requirements of the contract for exploration but, for reasons beyond its control, has been unable to complete the preparatory work to proceed to exploitation,

1. *Recommends* that the Council of the International Seabed Authority approve the application for extension of the contract for exploration for polymetallic sulphides between the China Ocean Mineral Resources Research and Development Association and the Authority for a period of five years from 18 November 2026;

2. *Requests* the Secretary-General of the Authority to take the steps necessary to ensure that the proposed programme of activities for the extension period contained in the application is adjusted to take into account the issues raised in the questions asked by the Legal and Technical Commission and the responses given by the applicant and the issues raised during the deliberations of the Commission before the programme of activities is attached as annex I to the agreement to be drawn up between the Authority and the China Ocean Mineral Resources Research and Development Association concerning the extension of the contract for exploration for polymetallic sulphides, in accordance with appendix II to the decision of the Council.³
