

Deep Sea Dialogues

2 N D E D I T I O N

Saturday 25 July 2026
10 -16 East St, Institute of Jamaica,
Kingston

13:30–18:00 followed by a reception with partners

In collaboration with the Secretariat of the International Seabed Authority, you are welcome to an open exchange with experts, covering science, economics and governance of the deep seabed and its management.

Light food and refreshments will be served. For more details on transport, program and registration (required), please refer to the QR code as places are limited.
