

Intersessional working group on the Regional Environmental Management Plans

24 September 2026

Agenda

1. Short recap previous discussions and meeting in Kingston
2. Discussion textual proposal on DR44bis and DR58
3. Planning
4. Other matters

1. Short recap previous discussions and meeting in Kingston

The facilitator will provide a short recap.

2. Discussion draft textual proposal on DR44bis

Please see attached the revised draft textual proposal on DR44bis and DR58 taking into account all the comments made during the last Council session in Kingston. The textual changes are highlighted in yellow.

3. Planning

We hope to submit the textual proposal before the deadline of 25th of November. We do not foresee a discussion in Council on this matter.

4. Other matters
