Welcome to Deep Dive

Deep Dive is the first and only e-learning training platform exclusively devised to address all elements of the legal regime in Part XI of the United Nations Convention on the Law of the Sea and the 1994 Agreement, including technical and scientific aspects.

The innovative modules and lessons have been designed to increase awareness of the legal regime for activities in the Area as well as become familiar with the governance structure and mechanisms in place and the way in which they contribute to the effective implementation of the legal regime for the Area and its resources.
